Profile: As a junior frontend developer, I offer 1 year of coding experience coupled with an extensive background in education and entrepreneurship. Transitioning from teaching to frontend development demonstrates my adaptability, eagerness for new challenges, and commitment to growth, leveraging my diverse background to offer fresh perspectives and technical proficiency. With 11 years of a music educator and 3 years as a small business owner creating custom design sugar cookie art, I bring a wealth of practical skills including superb communication, organization, and customer service.

Technical Skills: React.js, Javascript, HTML, CSS, Responsive Web Design, Integrating API, Search Engine Optimization, Object-Oriented Programming, npm, Bootstrap, Git, GitHub, Netlify, Integrating AI, Website Hosting, Windows Visual Studio

Education:

Certified Coding Certificates with SheCodes.io, 2023-2024:

- Junior Frontend Developer
- Advanced React Development
- Advanced Responsive Web Development
- Intro to Artificial Intelligence (AI)
- Advanced Web Development

B.S. Ed. Music Education

- Indiana University of PA, Aug. 2007-Dec. 2011

B.A. Interdisciplinary Fine Arts - Dance Arts

- Indiana University of PA, Aug. 2008-Dec. 2011

Work Experience:

Music Teacher at Crest Memorial School

- Wildwood Crest, NJ from Oct. 2012-Jun. 2023
- 11 years as a comprehensive music educator experienced in teaching PreK3-8th grade students, specializing in large and small group general music, vocal/choral, and instrumental classes. Developed curriculum aligned with National Core Arts Standards and NJ State Performing Arts Standards, directed performances, managed department budget, and coordinated schedules.

Small Business Owner at Music Mama Sweets, LLC

- Painted Post, NY from Nov. 2021-present
- 3 years as a small business owner, creating intricate custom sugar cookie art with superior attention to detail. Known for delivering personalized customer experiences and exceeding expectations.

Substitute Teacher at Corning-Painted Post Area School District

- Painted Post, NY from Sept. 2023-present
- Flexible K-12 substitute teacher adept at maintaining classroom management and delivering engaging instruction, utilizing strong communication and problem-solving skills.
